## CHAD'S CORNER

### Being The Hands & Feet of Jesus

In 1999, the Christian Band *Audio Adrenaline* released a song entitled "Hands and Feet." The song describes the tension that followers of Jesus go through when they see people hurting and in need but not sure what they can do or even more often do not have strength to do what they know they should do. But you can find strength when your prayer to the Lord is, "I want to be Your hands. I want to be Your feet. I'll go where You send me." What does it mean to be the hands and feet of Jesus? This morning, I hope to answer that question in this special stand-alone sermon that I am simply calling "Hands & Feet." Hands give and serve; feet move and go. The Scriptures teach us that Jesus "did not come to be served, but to serve, and give His life as a ransom for many" (Mark 10:45) and reminds us, as His followers, that He has set for us and example that we should do as He has done for us (John 11:15). After the resurrection, Jesus remained on the earth in body for 40 more days before ascending to sit at the right hand of God. However, the Holy Spirit remains with us and today the church is the body of Christ on earth (1 Corinthians 12:27). You are to be His hands and His feet. To go and to serve in Jesus' Name.

This morning, I will also be sharing with you about Love Lodi. On Saturday 4/29/2023, you have a perfect opportunity to be the hands and feet of Jesus by going and serving our community. To learn more, sign-up to volunteer for and/or submit a project – go to LoveLodi.org.
